Event	Description
<u>Advanced Healing</u>	<p>Saturday, November 5 at 1:00pm</p> <p>This had been an experiential/lecture class devoted to Sufi concepts of spiritual healing open to anyone for three years, then closed due to the closeness and sharing of experiences and is now a peer lead group, primarily but not strictly Sufi in nature. No charge.</p>
<u>Mystical Explorations</u> (formerly known as the Canandaigua Study Group)	<p>Tuesday, November 1 at 6:30pm</p> <p>Group study in the exploration and sharing of ideas related to Sufism. We usually study Sufi material, but have been expanding and exploring related areas. Right now, we are reading and discussing David Spangler's book Subtle Worlds. Henry leads this particular discussion and adds spiritual practices. When done in a few months (we are going a chapter at a time), we will decide as a group what to do next. We usually do an evening of zikr/chanting before starting a new series. There is a minimum of \$10 (USD) per year for this class, or more if you can afford it and feel called to do so.</p>
<u>Dream Group</u>	<p>Wednesday, November 2 and Tuesday, November 15 at 6:30pm</p> <p>Psycho-spiritual approach to dreams, synchronicities, visions and related experiences. Included is training and experience in how to look at and interpret these experiences, and how you would help another do so. The Tuesday and Wednesday classes are similar. In fact, most people attend both classes. There is a minimum of \$10 (USD) per year for each class, or more if you can afford it and feel called to do so.</p>
<u>99 Names</u>	<p>Wednesday, November 9 at 6:30pm</p> <p>Intensive study of the 99 names from various sources and our own experiences. Three of us co-teach. We prepare an outline and send it out the Sunday or so before the class with the zoom invitation. We began with the "7 leading names." We have met for close to two years now, but you can join. It helps to have some familiarity with the concept of the 99 names. The one requirement is that you commit to attend monthly except for extraordinary circumstances. People share experiences and this commitment increases the sense of community and trust needed in sharing. The meetings are recorded for use by the participants only (e.g., for review or if you miss a class). There is a minimum of \$10 (USD) per year for this class, or more if you can afford it and feel called to do so. We periodically offer a half or one day retreat on the 99 names or something associated with them (e.g., a retreat on Sufi zikr) which asks for a donation if possible.</p>

Event	Description
<u>Sohbet (Spiritual Discussion)</u>	<p>Fifth Tuesday of each month when it occurs. 6:30 - 7:30pm</p> <p>•Spirituality in Action•</p> <p>Spirituality, however we define it, is meant to be an integral part of our lives. Though it is hard-wired in us, awareness of it and its expression vary individually.</p> <p>We welcome you to join us, at no charge, to explore and share how this manifests in each of us and affects our lives and those with whom we interact. Learning from, and supporting each other, is the essence of community.</p>
<u>Zikr & Sama</u>	<p>Fifth Wednesday and Friday of each month when it occurs. 7:30 - 8:30pm</p> <p><i>There is a polishing for everything that takes away rust. The polishing of the heart is zikr, the remembrance of the One Source of everything.</i></p> <p>Zikr is a practice of remembrance of a power greater than ourselves. By the repetition of sounds and names transmitted through the ages, whether recited, chanted, or sung, we can change our atmosphere and that of our surroundings.</p> <p>We invite you to explore this sacred practice with us. No charge.</p>
